NATIONAL INSECT WEEK 21-27 JUNE

www.suffolkflora.org

Suffolk Flora Preservation Trust will celebrate **National Insect Week 21st-27th June, 2021** with two special **Open Days** for all members of the public,

10 am until 5 pm,
**at Simpson's Fromus Reserve on
Saturday 26th June,
and
at Orchid Glade on
Sunday 27th June.**

Please find instructions how to reach both reserves on the website ***www.suffolkflora.org*** under Open Days.

We shall also publish in the 2021 annual the **eight best insect photos taken during National Insect Week** at either of our reserves, **Simpson's Fromus Valley or Orchid Glade.**

Winners will be **four Guardians**, for photos taken on any day in National Insect Week, and **four members of the public** on Open Days

Please send entries to *editorsfpt@gmail.com* before 31st August 2021. ***Each entry must be accompanied by the following information: name of photographer, equipment used, date of photo, name of SFPT Reserve where taken, and – of course - identity of the insect(s).***

Good luck !
